Location: Donner Aquatic Center – 22nd & Sycamore Streets, Columbus, IN 47201

Donner Aquatic Center is an OUTDOOR facility! With being outdoors, please be sure to plan accordingly for the weather! Be sure to pack extra water and sunscreen for the weekend! If parents have pop-up canopies, we can create an area just outside of the pool fencing for camping! I can provide buckets to help anchor the canopies!

Weather: Competition will take place rain or shine! The only stoppage of competition will take place in the event of severe weather! We will have to comply with the facility management in terms of clearing the pool area and when events can resume! Coaches will relay information to parents in a timely manner, as information is provided to us! Please do not try to seek out information with the facility management. Every attempt will be made by the meet host to run all events as scheduled, but please be prepared with the potential of delays! **In the event your swimmer needs to leave, please communicate that with the coaches on site so we are prepared to make scratches!** *No refunds for event entry fees will be given for weather related delays!*

Parking: The parking area may be reached from 22nd Street from the west, or from Sycamore Street from the north. Additional parking is available on the south end of the pool by way of 18th Street from the east. Access to the viewing stands above the pool deck is via the outside stairs located on either the north or west side of the aquatic center. Swimmer entrance to the locker rooms is found on the north side of the facility off of 22nd street.

Spectator Seating: There is limited seating in the stands overlooking the pool, but plenty of shady places to camp around the pool in the park. There is green space inside the pool for your swimmers to camp but remember that only the swimmers and coaches are allowed inside the pool area. Parents are only allowed as far as the concession area.
