

TEAM FEES

Registration Fees - \$167.00 per NEW swimmer which includes:

- USA Swimming Fee of \$67.00 which includes participation in Indiana Swimming and USA Swimming programs and meets; secondary accident insurance; a subscription to Splash! magazine.
- DTAC Registration Fee of \$100 which gets each swimmer a team t-shirt, swim suit, and cap.

Training Fees

These fees cover coaches' salaries and other program operating expenses. Team fees may be paid by a recurring monthly charge to your credit card or automatic checking debit. A 10% discount is offered for families wishing to pay for the full year up front! This payment will be due at registration! A 5% discount is offered for families who wish to pay for the entire year by March.

DTAC Financial Aid - USA Swimming Outreach Program

Swimmers who provide proof of qualification for the Free/Reduced School Lunch Program will pay a USA Swimming Fee of only \$5 and the DTAC Registration Fee of \$100, total of \$105 and are also eligible for a reduction of their team dues. Training fees are reduced by 50% and is not eligible for either the pay-in-full or pay by March discounts. Athletes/families that are eligible for financial aid still remain responsible for all meet entry fees, team uniform/apparel/equipment, and travel costs.

Meet Entry Fees

Each swimmer/family is responsible for paying the entry fees and/or surcharges for all meets for which they enter. These fees are set by the meet hosts and vary depending on the level and type of competition and the number of events entered. The amount ranging anywhere between \$6 and \$50 per meet will be billed to your account after the entry has been completed. Swimmers/families that fall behind in payments may not be allowed to enter future meets.

Meet Entry Fees Billing Process

Coaches submit entries to meets approximately 4-6 weeks in advance and update times for the entries periodically before the meet. Once the entry is sent and accepted by the meet host, the club is obligated to pay the total due, regardless if the swimmer competes. Once a meet entry is sent, an email with entry fees will be sent to competing families and fees will need to be paid as soon as possible.

DTAC Financial Policies

- All outstanding balances must be paid prior to signing up for the next season of swimming!
- Multi-Swimmer discounts apply to swimmer's team dues as follows:
 - 2nd swimmer (lower training group) - \$10/month discount from 1st child fee for group
 - 3rd + swimmer (lower training group) - \$15/month discount from 1st child fee for group
- No credits or refunds will be given for missed training sessions due to participation in other activities/sports. If your swimmer practices once in a month, they are considered to be on the team for the month and dues must be paid. Special consideration for medical injuries and other reasons will be considered once the parent has supplied information to the Head Coach.
- Invoices are generated and sent out on the 1st of each month. Please pay promptly upon receipt of the invoice. All invoices should be paid by the 25th of the month issued.
 - If an outstanding balance exists after 60 days, then athletes will be asked to sit out of practice and not be eligible to compete or attend team activities until payment or payment plan has been accepted.
- If your athlete is moved into a higher training group during the season, pro-rated dues will be determined and added to the next billing cycle for payment.
- If you attend to take a break or drop out of the program, WRITTEN notification to the Head Coach is required by the 25th of the month prior to departure to avoid charges for that month. Any unused team dues are NON-REFUNDABLE and any outstanding fees, including meet entry fees must be paid in full upon notification of drop out.

DTAC TRAINING RULES FOR PARTICIPANTS

- Please check the training schedule for times so that swimmers arrive for the correct training time. Occasional scheduling conflicts do cause some changes in training times. It is important to make the recommended number of sessions per week.
- Swimmers should be dropped off for training no more than 30 minutes prior to the scheduled training times. The locker rooms are not open until 20 minutes prior to training and swimmers arriving earlier are left unsupervised in the hallways. The only exception is for those swimmers who stay after school for practice.
- Swimmers should be picked up from training no more than 15 minutes after training is scheduled to end. Swimmers not picked up on time causes staff members to have to remain unnecessarily beyond training sessions. We also ask that no one wait outside the main entrances to be picked up. Please wait inside!
- Anyone arriving late or leaving practice early must arrange this a day in advance with the coach.
- Although we want swimming to be a fun experience for everyone involved, the training sessions are scheduled for engaged training. Athletes coming to training for playtime will be asked to adhere to our expectations or be removed so that others may focus on training.
- Swimmers are expected to be upon their best behavior in the locker/shower rooms and halls. Discipline problems will be taken care of by giving the swimmer a warning on the 1st offense and notifying the parent on the 2nd offense. At this time, the head coach and parents will establish a behavior modification program for the child! If behavior problems persist, in that, it distracts from the goals of the program and others then suspension or dismissal from the team will be decided by the Head Coach.
- The use of technology devices in the locker/shower/rest rooms is prohibited in accordance with USA Swimming Code of Conduct.
- No one except swimmers and staff are allowed on the pool deck during training. Parents may view training sessions from the observation deck at any time, unless the DTAC coaching staff has "closed" a practice for observation. We ask that parents not attempt to communicate with their child(ren) during a training session.
- Parents in need to speak with a member of the coaching staff may come down after their child's training session. Please note that if another training group is in the water, the coach may ask to meet with you inside one of the offices or in the lobby to adhere to the deck policy.
- DTAC is incorporating video and race analysis software in training. This software provides the capability of race/stroke analysis using tablets and/or an underwater camera to videotape the athletes as they start, swim, and turn. Athletes will be videotaped during training sessions and with the coach they can review their stroke and discuss ways to improve their technique.
- There will be a lost and found available and items can be claimed by checking with a Coach. Please write names on goggle straps and suits (the tag).

DTAC TERMS AND CONDITIONS FOR PARTICIPATION

- All outstanding balances from the previous season must be paid in full prior to the sign-ups for the next season.
- The Decatur Township Aquatic Club annual registration fee of \$167.00 per swimmer is due in full on official registration. For financial aid families, the DTAC annual registration fee is \$105.00 per swimmer. Parents must provide proof of qualification for the Free/Reduced School Lunch Program to received financial aid pricing.
- All forms must be turned in during registration. This is a requirement for your child to swim. These forms include the Medical Release Form and Waiver/Terms & Conditions Form. We also request a copy of your insurance card to have on file in case of an emergency. If your athlete is registering for USA swimming for the first time, a copy of their birth certificate must be submitted.
- Training dues may be paid in full by or they may be paid in installments for the year. There is a discount if you choose to pay your total dues at registration or by the end of March. You are responsible for timely payment of your dues and meet fees. Payment arrangements may be made in advance for families with special financial circumstances. See the Head Coach as soon as possible to discuss the matter.
- No credits or refunds will be given for missed training sessions due to participation in other activities/sports. If your swimmer practices once in a month, they are considered to be on the team for the month and dues must be paid. Special consideration for medical injuries and other reasons will be considered once the parent has supplied information to the Head Coach.
- If your athlete is moved into a higher training group during the season, pro-rated dues will be determined and added to the next billing cycle for payment.
- As a competitive swim club, every effort should be made to attend as many meet sessions as possible. Requirements for athlete participation in winter season meets are based on training group.
- Meet entry fees are in addition to the club dues. The coaches will select and enter meet events for the swimmers. Once the team entry is complete, these meet fees will be communicated via email. Additionally, each swimmer will be required to pay a \$2.00 surcharge for each meet they enter. This money goes directly to Indiana Swimming. Both the meet fees and the surcharge are due to DTAC by the Wednesday prior to the meet.
- Once a swimmer is entered in a meet, the meet entry fees and surcharge must be paid regardless of whether the athlete actually swims in the meet. This is because meet entries are sent in weeks before the actual meet and the team pays the entry fee in advance.
- If you attend to take a break or drop out of the program, WRITTEN notification to the Head Coach is required by the 25th of the month prior to departure to avoid charges for that month. Any unused training dues are NON-REFUNDABLE and any outstanding fees, including meet entry fees, must be paid in full upon notification of drop out.
- When writing a check for dues or fees, please make the check payable to DTAC and note the reason for the check in the memo section on the check. Also, if you pay with cash please include a note that clearly states the purpose of the payment. Please submit all payments online or to the Head Coach for processing.
- Any checks returned for non-sufficient funds will be assessed a fee. In the event of a NSF, any outstanding monies due, including the amount of the NSF check, will only be accepted in the form of cash or a money order. Once your account is paid up, you can return to using personal checks as payment.
